

numbitious

BIO

Get ready to experience the electrifying fusion of grunge and metal, spiced up with a dash of diverse genres!

With raw, expressive songs and socially conscious lyrics that resonate with today's world, numbitious delivers an atmospheric sound that captivates.

For over a decade, this four-piece band from the Zurich Area has been entertaining audiences with their energetic performances.

Now, they're ready to take their unique sound to your stage.

Join the journey and feel the energy of numbitious!
